Dear Sir:

I urgently request that you not restrict the use of person-to-person telephone solicitations.

A key part of my business as a Realtor is person to person telephone solicitation. Many people sell their homes because someone raised the question by a telephone call. This all helps to boost the economy.

I believe the limiting of person-to-person telephone solicitations would have a devastating effect on the real estate market and our economy!

Thank you!

Sincerely yours,
